We offer a 5% sibling discount to the lowest tuition. Both children need to be enrolled in a school day as full time students. There are no sibling discounts available for summer programs. We have an enrollment and materials fee of \$300 per child or \$350 per family.

Tuition fees are based on a 10-month fee. It can be broken into 10 monthly installments or 3 installments. You are signing a contract for a 10 month period and tuition is due, regardless of school closures, illness or vacation time.
